

**CORONAVIRUS/COVID-19
UPDATED STATEMENT FROM
THE VORTEX – 03/24/2020**

Dear Vortex Fans,

● **SOMETIMES YOU JUST GOTTA HAVE A VORTEX BURGER**

The Vortex has been serving the Atlanta community since 1992, and we're not about to stop now. We are adapting daily to this changing situation, and we appreciate the kindness and support of all our fans while we determine how to continue to operate during these challenging times.

● **TAKE-OUT SERVICE ONLY**

We're missing you, and we hope that you're missing us – and you still need to eat. In light of recent government orders, we have shifted to a "call-in and pick-up" business model. You'll be happy to know that 100% of your take-out dining dollars will go towards keeping people employed. As our fans know, "take-out" has never been our specialty, but we're doing whatever we can to get freshly grilled Vortex burgers out to you.

● **SORRY, NO DELIVERY**

The Vortex does NOT deliver food, and does not employ any outside, third-party Food Delivery Company to do so. Perhaps when this event is over, and things get back to normal, we will need to revisit streamlining our take-out procedures to become more efficient. Sorry, but that's not going to happen today.

● **LIMITED HOURS**

Our current Hours of Operation at both locations are as follows:

1:00 pm until 7:00 pm – seven days a week – for take-out service only.

● **AVAILABLE MENU ITEMS**

We are currently offering ALL items on our menu, subject to availability. If this situation goes on for an extended period of time, we will switch to a limited menu. Probably mostly burgers. You can be confident that all employees preparing and handling your food are adhering to strict sanitation guidelines. Sealed cans and bottles of beer, and sealed bottles of wine are also available for take-out. We'll be doing our best to keep our online Food Menu up-to-date. Click [HERE](#) for the latest copy. Don't forget, we can sell take-out beer (bottles & cans) and wine, too! Click [HERE](#) for the latest copy of our Booze Menu, and check-out our vast beer selection.

● **CALL-IN TO THE VORTEX-MIDTOWN**

The location that you call is where your food will be waiting for you. To place your order with The Vortex-MIDTOWN, call (404) 875-1667 ext. 1. We are located at 878 Peachtree Street, Atlanta GA 30309.

- **CALL-IN TO THE VORTEX-LITTLE 5 POINTS**

The location that you call is where your food will be waiting for you. To place your order with The Vortex-L5P, call (404) 688-1828 ext. 1. We are located at 438 Moreland Avenue, Atlanta GA 30307. Don't let the sidewalk construction fool you — we're definitely open.

- **ORDER PICK-UP**

When you arrive to pick-up your order, an employee will bring it out to you. If they are temporarily unavailable simply call the appropriate number (above) to let us know you're here. For orders placed at THE VORTEX-MIDTOWN, you can pull up in your vehicle on Peachtree Street. The Mayor has suspended all booting and towing during this public health emergency to make it easier for folks to pick up food. For orders placed at THE VORTEX-L5P, we have a large parking lot adjacent to our building.

- **PAYMENT**

We accept cash and credit card payments. Your payment will be processed when you pick up your order.

- **EVOLVING SITUATION**

As this situation is fluid and we are receiving updated information daily, our operations are subject to change. Check our social media pages and/or our website for the latest information.
