UPDATED STATEMENT FROM
THE VORTEX – 04/01/2020**

THE VORTEX TO TEMPORARILY CLOSE BOTH LOCATIONS

Effective today, both locations of The Vortex Bar & Grill (Midtown & Little 5 Points) will be temporarily closing for business until further notice.

ATLANTA (April 01, 2020) – The Vortex has been proudly serving the Atlanta community without interruption since 1992. We truly appreciate the kindness and support of our loyal fans as we have attempted to continue operating in accordance with government mandates during this unprecedented situation.

Therefore, it is with a heavy heart that we are announcing the temporary closure of both Vortex locations until such time that government authorities declare that a more conventional re-opening is possible.

About The Vortex

Serving burgers and booze since 1992, The Vortex has earned its reputation as "the Godfather of Atlanta burger joints." It has been honored with innumerable "best burger" awards from local and national publications, as well as accolades for "best beer selection," "best neighborhood bar" and "best bar food." Its extensive selection of beer and spirits, along with a lively, non-conformist attitude, and ridiculously indulgent bar food are key reasons The Vortex is a perennial "reader poll," and all-around Atlanta favorite.
