MENU CONTENT DISCLAIMER

This complimentary menu was provided through The Vortex website as a courtesy to our patrons. It is NOT an advertisement of products, nor a contract of any kind. While we do our best to keep this reference material up-to-date, please be aware that all information contained within our menus, including, but not limited to, individual menu items, descriptions, prices and company policies, are subject to change without notice.

TAKE-OUT ALCOHOL

By law, The Vortex is not allowed to sell any alcoholic beverages “to-go,” with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and taken home by the customer. No other alcoholic beverage may leave our premises at any time.

21 AND OVER ONLY

The Vortex was designed as a social gathering place for adults. It is a bar. As such, we restrict access to people 21 and over, and require all patrons to present a valid form of identification to enter the premises. If you are ever denied entry to The Vortex because you don't have your ID with you, it's your own damned fault for being a dumb-ass. Who the hell doesn't carry identification?

SINGLE MALT SCOTCH (22 Varieties) – Measured 1.5-oz. Pour

Single Malt Scotch is malted-barley whisky produced in a single distillery. Scotch, which can legally only be made in Scotland, must be aged at least 3 years and be no less than 40% ABV. That is true for blends as well. Scotland is divided into six (6) whisky producing regions. The Vortex offers a selection from the five (5) regions listed below. Variations in flavor profiles are the result of many factors including the use of specific raw materials, climate and subtle differences in production techniques.
