## BOOZE MENU – HOME EDITION DOWNLOADED FROM OUR WEBSITE

**NOTICE:** This copy of our Booze Menu was revised on 04/1/24 and may, or may not be the most recent version.

### MENU CONTENT DISCLAIMER

This complimentary menu was provided through The Vortex website as a courtesy to our patrons. It is NOT an advertisement of products, nor a contract of any kind. While we do our best to keep this reference material up-to-date, please be aware that all information contained within our menus, including, but not limited to, individual menu items, descriptions, prices and company policies, are subject to change without notice.

### TAKE-OUT ALCOHOL

By law, The Vortex is not allowed to sell any alcoholic beverages “to-go,” with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and taken home by the customer. No other alcoholic beverage may leave our premises at any time.

### 21 AND OVER ONLY

The Vortex was designed as a social gathering place for adults. It is a bar. As such, we restrict access to people 21 and over, and require all patrons to present a valid form of identification to enter the premises. If you are ever denied entry to The Vortex because you don't have your ID with you, it's your own damned fault for being a dumb-ass. Who the hell doesn't carry identification?

### TRADEMARK & COPYRIGHT

The Vortex Bar & Grill retains the copyright and trademark ownership rights to all materials that appear on our website(s) and in our restaurants, including, but not limited to, menus, the names of individual menu items, company policies, all original text, artwork and any other related intellectual property. “The Vortex Bar & Grill” and Laughing Skull logo are Federally Registered trademarks of Big-Time Marketing, Inc. ©1992-present. ### CUSTOMER FEEDBACK

In an effort to constantly improve our operation we welcome customer input. You can contact us directly through our website by clicking on the “CONTACT” tab in the navigation bar, and following the prompts. After all, we can't fix a problem we don't know about. So thanks for helping out. Be advised that all emails we receive become the property of The Vortex Bar & Grill, and may be used by us in any manner we see fit.

### BE RESPONSIBLE

Be smart. Be safe. Don't be a jerk. Never drive impaired. If you plan on drinking, designate a driver, call a taxi, or use the ride sharing services of Uber or Lyft. And don't act like an asshole if we have to cut you off. Trust us. Waking up in your own bed at home will always be better than waking up in county jail.

## BOOZE MENU

### AN AMATEUR'S GUIDE TO BAR ETIQUETTE

The Vortex offers one of the most extensive selections of beer and spirits anywhere in Atlanta, so we can understand why you might decide to come hang out at our bar. If you don't normally spend much time in bars, we would like to offer the following information as a guideline of appropriate behavior, whether in The Vortex or any other bar for that matter. If you already know the ropes, we hope you will find this information entertaining.

### 21 AND OVER ONLY

Never give anyone at a bar a hard time when they ask to see your ID. "How old do you think I am?" is a carnival game, not a fun activity for bar staff. The Vortex was designed to be a social gathering place for adults. It is a bar. As such, we restrict access to people 21 and over, and require all patrons to present a valid form of identification to enter the premises. If you are ever denied entry to The Vortex because you don't have your ID with you, it's your own damned fault for being a dumb-ass. Who the hell doesn't carry identification?

### TAKE-OUT ALCOHOL

By law, The Vortex cannot sell any alcoholic beverages "to-go," with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and taken home by the customer. No other alcoholic beverage may leave our premises at any time, no matter how much you beg.

### BE RESPONSIBLE

Be smart. Be safe. Don't be a jerk. Never drive impaired. If you plan on drinking, designate a driver, call a taxi, or use a ride share service. And, hey, don't act like an asshole if we have to cut you off. Trust us. Waking up in your own bed at home will always be better than waking up in county jail.

### PACING YOURSELF

Few things are as embarrassing as getting "cut-off" at your favorite bar. Just do everyone a favor, and cut yourself off before you show your ass. If you insist on acting like a jackass when you drink, then you should probably only drink on St. Patrick's Day, Cinco de Mayo and New Year's Eve. Those are official "Amateur Nights," so you'll have plenty of company. For the record, barfing in a bar is the epitome of amateur behavior. If you're not celebrating your 21st birthday, you really should be ashamed of yourself. Someone has to clean that shit up, you know. Bring on the self-loathing.

### PAYING FOR YOUR DRINK

If you are ordering "cash & carry," at the bar, have your money ready. Fumbling for your wallet or purse prevents the bartender from waiting on others. If you'll be having more than one drink, you should probably start a tab. And, don't forget, cash is king – at the very least, try to tip in cash. Bartenders love that.

### ☠️ TIP OR DIE ☠️

Tipping is how bar staff earns their living, so they appreciate patrons who know how to tip appropriately. They know who tips well and who doesn't. Right or wrong, this can make a big difference in the quality of your service. To make it simple, just leave a couple of bucks per drink or tip at least 20%, whichever amount is higher.

**SINGLE MALT SCOTCH** (22 Varieties) – Measured 1.5-oz. Pour

Single Malt Scotch is malted-barley whisky produced in a single distillery. Scotch, which can legally only be made in Scotland, must be aged at least 3 years and be no less than 40% ABV. That is true for blends as well. Scotland is divided into six (6) whisky producing regions. The Vortex offers a selection from the five (5) regions listed below. Variations in flavor profiles are the result of many factors including the use of specific raw materials, climate and subtle differences in production techniques.

STRONG-ASS COCKTAIL

Satan herself provided us with the recipe for this original Vortex Cocktail. Sure, it may have cost us eternal damnation, but it was totally worth it. This murky drink is made with a devilish blend of tequila, vodka, rum, bourbon and various fruity liqueurs. Oh, and the souls of the damned. We serve it in a double-sided, custom Imperial pint glass that you can take home. And finally, we top this bitch off with a splash sparkling peach wine to keep it classy, 'cause that's how the devil likes it. Classy.
