MENU CONTENT DISCLAIMER

This complimentary menu may, or may not be the most recent version. This document is provided as a courtesy to our patrons. It is NOT an advertisement of products, nor a contract of any kind. While we do our best to keep our reference materials up-to-date, please be aware that all information contained herein is subject to change without notice.

TAKE-OUT SIZE & FEE

If you plan on ordering an extremely large take-out order please use our DoorDash storefront. Please note: A 5% packaging fee is added to all take-out orders.

TAKE-OUT ALCOHOL

By law, The Vortex is not permitted to sell any alcoholic beverages “to-go” with the exception of opened bottles of wine that are not finished by patrons when dining in-house. These bottles may be re-corked and be taken home by the customer. No other alcoholic beverage may leave our premises at any time.

21 & OVER

The Vortex was designed as a social gathering place for adults. It is a bar. As such, we restrict access to people 21 and over. All patrons must present a valid form of identification to enter the premises. If you are ever denied entry to The Vortex because you don’t have your ID with you, it’s your own damned fault for being a dumb-ass. Who doesn’t carry identification?

TRADEMARK & COPYRIGHT

The Vortex Bar & Grill retains the copyright and trademark ownership rights to all materials that appear on our website, on social media accounts and in our restaurants, including, but not limited to menu content, official company policies and all other original text, artwork and related intellectual property. “The Vortex Bar & Grill” and Laughing Skull logo are Federally Registered trademarks of Big-Time Marketing, Inc. ©1992-Present. CUSTOMER FEEDBACK

We can’t address issues we’re unaware of, so we always appreciate hearing from our loyal patrons. You can contact us through our website by clicking on the “CONTACT” tab in the upper navigation bar and then following the prompts. All emails received become the property of The Vortex Bar & Grill and may be used by us for any purpose whatsoever.

PLACING TAKE-OUT ORDERS

Your best bet for placing a successful take-out order is to use our DoorDash storefront. You can find a direct link on our website. You can even get Vortex delivered now!

PLEASE NOTE: After 8:00 pm nightly, take-out orders can **only** be placed in-person, at the bar or via DoorDash. We do not accept phone-in orders after 8.

When picking up an order, you can help us assure your complete and total satisfaction by following the simple five-step instructions listed below:

1. ORDER FROM THE CORRECT LOCATION

Pay attention to which Vortex location you order from, because that’s where your food will be waiting for you. People often show up in Midtown, after having placed their order with Little 5 Points. Oops. It’s a real bummer to have to drive across town when you’re hungry. (*The bars are only about 3 miles apart.*)

2. HAVE YOUR ORDER READY

If you must call us, please have your order complete before you call. Consider of all the various options – like burger temperatures, side dishes, bread selections, and salad dressings. When the restaurant is busy, we just don’t have time to wait while you ask every member of the I.T. Department what dressing they want on their salad.

3. COME AND GET IT

We will give you an approximate pick-up time for your order, so if your food sits around and gets cold and soggy, it’s your own damn fault.

4. DOUBLE-CHECK IT

Always check the contents of your order before you leave. Nobody is perfect 100% of the time, and our Take-Out Expediter could have made a mistake, so double-check it. We will NOT be responsible for errors or missing items once orders are removed from our premises, because that’s the oldest scammer trick in the book. Sorry scammers.

5. GO BACK TO YOUR LAIR

If you order food to-go, you can’t eat it in the restaurant, that’s why it’s called “take-out.” Bye-bye.

THE VORTEX®

BAR & GRILL

STUFF YOU REALLY NEED TO KNOW™

We grill up the **Best Damn Burgers** in Atlanta, offer a huge selection of beer & spirits, and serve ridiculously indulgent bar food. This is exactly the kind of place your momma warned you about. Everything we offer is bad for you. That's why it's so much fun here. It's good to be bad. So eat, drink, and make lots of new friends. Just don't take life so seriously, because if you're easily offended, you will certainly be offended here.

OFFICIAL COMPANY POLICIES

IDIOT-FREE ZONE - WE'RE DEVOTED TO THIS PROJECT

Our goal is to foster an atmosphere of fun and mutual respect. We declared The Vortex an **Idiot-Free Zone** back in 1992 and have remained committed to this policy ever since. Simply stated, it means "you be nice, and we'll be nice." Anyone who acts like an entitled jerk will be asked to leave. People who behave badly always seem surprised when we toss their silly asses out the door... probably because they're idiots.

SERVICE GUARANTEE - WE KEEP IT PRETTY CASUAL

If you are not greeted within 2 minutes, then you'll be greeted within 3 or 4. We do our best to be prompt, but service times will vary with business volume, so just pull that big stick out of your butt. Try to relax, have fun, and enjoy the experience. It'll be good for you.

HELP US HELP YOU - WE MOSTLY WANT TO SAY YES

Don't come in here and start moving the furniture around like you own the place. If your group has special needs or accommodation requests, please let a staff member assist you. Sure, sometimes we may have to decline a request, but that's only because we know what's best. Trust us — we've been running this bar for a long time. Our staff really is here to help, so just ask. Some of them might look a little scary, but they're mostly pretty nice...mostly.

21 & UP - KID-FREE, MILLIONS OF "HAPPY MEALS" SERVED

Yes, really. Yes, you have to present valid ID. No, a photo on your phone isn't valid. No, your momma can't vouch for you. Nope, not even if you promise not to drink. Yep, even at lunch. Really, the baby can't come in. Even if you drove all the way from Kalamazoo. No, this isn't new. Did we answer all your questions? Address all your excuses? Yeah, we've heard 'em all. Just bring ID.

NO WHINING - JUST ACT LIKE AN ADULT

We're sorry if you don't like what we do, or how we do it. Maybe you think our bar is too crowded, or you think the music is too loud, or the foul-mouthed ladies sitting beside you are just too offensive. Hey, on occasion, The Vortex can get a little rowdy. If you insist on having total control over your environment at all times, then maybe you should just stay home. Nobody likes a whiner. Especially in a bar.

READ OUR MENUS - THEY'RE VERY INFO-TAINING

We try to ensure our food and drink descriptions are as accurate as possible and that all company policies are clearly explained on our menus. So read them carefully. If you have any questions, just ask us. It's all pretty simple. Please don't make us mock you.

TIP OR DIE

- IT'S JUST THAT SIMPLE

Tipping for service is the currently accepted custom in this country and at this bar. It also happens to be how our servers and bartenders make their living. If you think tipping is a scam, then you should probably stay home, microwave yourself a TV dinner, and binge-watch your favorite reality show. Because if you can't afford to tip, then you can't afford to eat at a full-service restaurant. That's real life. *Please be advised: we add an 18% gratuity to parties of 6 or more.*

PAYING THE BILL

- THERE'S NO CASHIER HERE

We accept Visa, MasterCard, Amex, and Discover credit cards as payment. We also accept cold, hard CASH. Cash is great. We do NOT accept any third party pre-paid gift cards, even if they have the aforementioned credit card logos on them. Additionally, we do not accept Diner's Club, Traveler's Checks, personal checks, PayPal, Bitcoin, or digital wallet payments. Your server or bartender will collect your payment, and complete the transaction. Easy peasy.

SEPARATE CHECKS

- ASK UP-FRONT, AND SIT STILL

Yes, we can separate your checks. All you have to do is ask up-front, and stay in your damn seat. If people in your group insist on playing a game of musical chairs, then a single check will be brought to the table when it's time to cash-out, no matter what y'all requested. In that case, you'd better figure out how to use the calculator on your cell phone.

LARGE GROUPS

- YOU MIGHT HAVE TO WAIT A BIT

Of course we do our best to serve everyone, but if you show up with your 10 best friends at eight o'clock when we're slammed, don't fret when we tell you it's going to be a very long wait for a table. Just indulge at our awesome bar while you wait. You're supposed to be having fun, remember? We promise — we're totally worth the wait.

INCOMPLETE PARTIES

- DON'T BE A JERK ABOUT IT

We do not seat incomplete parties during any peak business period, and we decide what constitutes a peak period. We know all your little tricks too, so don't even try them. Just enjoy a tasty drink from the bar while you wait on your slack-assed friends (even if they're "just parking").

NO RESERVATIONS

- WE'RE NOT FANCY LIKE THAT

The Vortex is a casual joint, so we seat on a first-come, first-served basis. We do not take reservations. Don't bother phoning ahead, because even if you speak with an employee you still do NOT have a reservation. Do you know why? Because we don't take reservations.

MORE STUFF YOU REALLY NEED TO KNOW™

OFFICIAL COMPANY POLICIES

SERVERS ARE PEOPLE TOO - SO JUST BE NICE

There is never any excuse for people to be rude to one another, especially in our bar. Common courtesy goes a long way here. So, before attempting to get your server's attention, just wait until they finish with the customer they're currently helping. Do not whistle, clap, or bang on the table or bar like an idiot. Likewise, do **NOT** touch them. Displaying disrespectful or abusive behavior toward any member of our staff will get you thrown out immediately. So please don't act like a jackass. Honestly, that's good advice when at The Vortex, and everywhere else for that matter. You're welcome.

VORTEX ERRORS - IF WE MESS UP, WE'LL OWN IT

We do our best to avoid mistakes, but they may still happen from time to time. After all, nobody's perfect. So, if our kitchen or service staff ever goofs something up, just let us know as soon as possible. We'll do everything we can to make things right. Just don't wolf it all down before you let us know there's a problem.

CELL PHONES - USE YOUR MANNERS

You can be as rude to your friends as you'd like, but to receive service, you need to get off your cell phone. If you don't, then be prepared to be ignored. Talking on the phone, texting, surfing, taking pictures, or posting when a server is trying to take your order may also result in bodily injury or death, so just put the phone down for a minute. Jeez. Oh, and if your food gets cold while you're taking pictures of it...that sounds like a you problem.

NON-SMOKING- LOVE YOUR LUNGS, ABUSE YOUR LIVER

The Vortex does not allow smoking or vaping of any kind inside our premises. However, we do offer the option to smoke cigarettes and e-cigarettes within certain exterior areas. Ask your server for details. The smoking of stinky stuff like cigars, pipes, clove cigarettes, hookahs, or anything deemed illegal by the oligarchy, will not be allowed anywhere on our property.

SPECIAL ORDERS & EXTRAS - THEY COST EXTRA

Our ultimate goal is to give our customers exactly what they want. So if you want a bunch of "extra" stuff, or you want to make crazy alterations to an existing menu item, or if you want to order something that's not even on the damn menu, we'll do our best to help you out. And we'll also charge you whatever the hell we want. So, if you have concerns about the cost of your "special request," please ask your server about it **BEFORE** placing the order. Once the food is in your belly, it's a little late for that conversation, and we don't want any crying when the bill comes. If you think we should give extras away, we'll let you know when that magical delivery truck of free stuff shows up.

FRESH FOOD & SERVICE NOTICE- FIRE GOOD

All our menu items are fresh and **cooked to order**. We strive to have food to your table within 20 minutes, but if we are very busy, your order may take a little longer. Any "well-done" burgers will also increase the wait time. You see, a half pound of fresh sirloin actually has to cook. Nothing at The Vortex ever sits under a heat lamp. This ain't fast food, it's good food.

NO FREE SAMPLES - IF IT'S RIGHT, IT'S YOURS

Food that has been prepared correctly may **NOT** be returned because you "*just don't like it.*" Same goes for mixed drinks. Read the descriptions. Talk to your server. Act like an adult. If you order a beer, wine or spirit that you're not crazy about, that's a damn shame too. We don't brew, ferment, distill or bottle any of it. We just sell it. So, when your food or booze order is delivered to you "error-free," the transaction is officially complete. All sales are final. No returns or refunds. If you have a particularly delicate palate, or are just a chronic complainer, be prepared to share what you've ordered with the less finicky members of your party. You know — *the grown-ups.*

SERVICE ISSUES - WE CAN'T FIX IT IF WE DON'T KNOW

If you're ever unhappy with any aspect of your service, notify the manager immediately, because we can't solve a problem we don't know about. "Stiffing" your server and slithering away without letting us know there was a problem is not helpful. And neither is leaving a passive-aggressive note on your charge slip instead of a tip. By far, the most pointless move is posting a negative review online. Does anyone even take those seriously? If you don't want to talk to the manager in person, head over to our website and fill out a contact form. We read those. And, hey, feel free to drop us a line if you had a great experience! Those emails really make our day.

NO CAMPING - WE KNOW IT'S HARD TO SAY GOODBYE

We always want our patrons to hang-out and enjoy themselves. But, if you have finished eating and drinking, have paid your check, and can see that other people are waiting for tables, be considerate, and give up your seat, so the next group can enjoy the experience. Come on, you're done. Don't be the clueless table of campers. Someday, when you're the one waiting for a table, you will really appreciate this policy.

ALLERGY WARNING - IT'S ALL ABOUT YOUR SAFETY

If you have food sensitivities or allergies serious enough to cause serious illness, we suggest that you do **NOT** dine here. The Vortex cannot, does not, and will not guarantee the absence of any specific allergen from any of our menu items. The potential may also exist for cross-contamination with ingredients to which you may be allergic. This policy is designed to help ensure your health and well-being, so if you choose to ignore it, please be advised, you do so at your own risk. It's better to be safe than sorry.

OUTSIDE FOOD & DRINKS - JUST SAY NO

In case you hadn't noticed, we sell food and drinks here. This is not a picnic ground. If you are foolish enough to try to eat food from another restaurant, or bring in an outside beverage, it will be confiscated and dumped in the trash. Give us any lip, and you'll end up there too.

OUR FANS ARE THE BEST - WE ♥ Y'ALL!

If you're not already, give us a follow on our social media channels @TheVortexATL. We put out some really cool stuff that you definitely don't want to miss. We love y'all so damn much. Thank you for your continued support! ♥

PLEASE DRINK RESPONSIBLY

Please don't barf in our bar. And don't make us cut you off. We will if you get sloppy. So do everyone a favor and cut yourself off before you start acting like a damned fool. If you're going to be drinking, we suggest you designate a driver, or use a ride sharing service. Impaired driving is dangerous, and DUI's suck.
